

Midnight Madness

October 28, 2016

Midnight Madness is back at East High!!!

Fall sports are well underway and we have already experienced many successes in our athletic department. However, basketball season is hovering and it is never too early to begin preparing for it.

Schools such as North Carolina, Duke, Kansas, and Michigan State rang in the round-ball season by holding their annual Midnight Madness celebration. We want to join in on the fun!!

Here at East High we would like to celebrate the beginning of the basketball season by holding our own version of Midnight Madness.

At 7:30 pm on Friday, Oct. 28 we are opening the gym doors and inviting our future Spartans (**boys grades 3rd-8th**) to come join East High coaches and players ring in the new season!
