***All sessions are located at Lincoln East and are led by East High coaches and players!!**

The goal of these sessions will be to teach and develop individual skills and basic fundamentals used to excel in the game of basketball. Coaches will put the players through individual drills that emphasize ball-handling, shooting, and passing which help them build a fundamental base to their game. Fundamental sessions will be based on age and ability levels so each player has a chance to learn and succeed.

The cost of the program for these six sessions is \$50 per student. We ask that you drop your child off no earlier than 15 minutes before the beginning of their session and to pick up your child no later than 15 minutes after the conclusion of their session. We encourage you to have accident insurance before participating in this program and we ask that each player bring a pair of basketball shoes to each session. We also want to emphasize that neither the coaches, East High School, Lincoln Public Schools, nor Supreme Court Basketball are responsible for any stolen or misplaced property.
